

Who We Are

We are one-stop training solution for more than just Phishing Awareness, but also including compliance, cybersecurity, governance, risk management, fraud, and audit courses.

Our Mission

To provide a series of best practices, regulatory compliance, and framework-based courses under one umbrella, establishing robust employee awareness, retention, and sustainable program

Explore SecuRetain Courses

Functional

All your cybersecurity training needs under one roof.

Awareness

Retention

Sustainability

Growth

Explore roles and responsibility based multi-domain training. Transform Cybersecurity through Sustainability.

Industry

Transform e-learning to Address Real Learner Needs

Our Core Competencies

- Training personnel to solve challenges and deliver secure and compliant results for employers and the public.
- Transforming your organization's ability to learn through dynamic and versatile training to bring ultimate competitive advantage and knowledge.
- User-friendly courses for employees and competent tracking system for the organization to monitor the progress.
- Customize your cybersecurity courses to reflect your policies, procedures, and guidelines.

Custom e-learning courses development

- Course licensing and course customization
- Modify courses to include corporate policies and procedure references
- Knowledge check questions in each course can be customized as per the request

Custom e-learning courses For Corporates clients

- Avail customized courses unique to your organization and skill requirements, geared towards DIY competencies
- Kickstart learning & digital transformation of your inhouse courses
- Adopt data and analytics-driven, personalized learning for simplified, seamless experience

Courses can be availed through CAPP

- Courses maintained and upgraded continuously as rules and regulations change.
- Delivering content your learners need, when they need it, how they need it, wherever they are!

SecuRetain Difference

We truly believe that powerful & immersive learning experiences can change the face of your company, too.

- Empower your enterprise with engaging learning experience as you leverage flexibility, customization, and hard insights in all learning and development effort.
- Organizations, for the first time, can provide choice to employees to learn more than just phishing awareness. SecuRetain eLearning courses are much more than phishing awareness.
- It includes end to end training in categories ranging from Cybersecurity, Risk Management, Compliance, Disaster Recovery, Fraud, Audit, Business Process, etc.
- The training courses are categorized according to industry: Healthcare, Technology, Financial, Public Sector, etc.
- The courses are dedicated to professional and personal growth and for organizations striving for employee retention and sustainability.
- New courses are added every month to provide continuous learning and enhanced knowledge
- The courses contain the most practical approaches, best practices, frameworks, and templates
- The courses are highly interactive and contain assessment/exercises at each stage as well as the end of the course assessment
- Courses provide continued professional education (CPE hours)
- Courses are recognized and marketed by an organization, a world leader in quality testing and certification services (TIC)

10000 Minutes+ Current Course List - 24 new courses in the pipeline - We add new courses every month. Visit www.securetain.com for the most recent list

Course Name	Course ID
Access Control Awareness Part I	CS00201
Access Control Awareness Part II	CS00202
Anti Money Laundering Awareness	CO00103
Breach Notification Awareness Part I	CS00301
Breach Notification Advanced Part II	CS00302
Business Continuity & Disaster Recovery Awareness Part I	DR00101
Business Continuity & Disaster Recovery Awareness Part II	DR00102
Business Continuity Disaster Recovery Part III	DR00103
Business Continuity Disaster Recovery Part IV	DR00104
Cloud Security Awareness	CS00102
Data Privacy and Privacy Regulations Part I	CS00106
Data Privacy and Privacy Regulations Part II	CS00107
Facility Workplace Awareness Part I	CS00109
Facility Workplace Awareness Part II	CS00110
FedRAMP Fundamentals Part I	CO00801
FedRAMP Fundamentals Part II	CO00802
FedRAMP Fundamentals Part III	CO00803
